

Do you want to hold live classes, sessions, and meetings with your class? Blackboard Collaborate is your tool!

What: Get Started with Collaborate Ultra: Blackboard Collaborate™ is a simple, convenient, and reliable web conferencing solution built for education.

How: You can participate in a Blackboard **Collaborate Ultra session** directly from your mobile device (Apple, Android, or Windows) with the free Bb Student app. Within the app or Blackboard, you can fully interact during the **session**: Join live classes or meetings.

Where: Where is Collaborate Ultra located? (In Blackboard!) Go to Course Tools, under COURSE MANAGEMENT and select BLACKBOARD COLLABORATE ULTRA. Then select CREATE a SESSION.

Moderators: Faculty

The following narrated video provides a visual and auditory representation of some of the information included on this page.

- Watch a video tour: https://help.blackboard.com/Collaborate/Ultra/Moderator/Get_Started
- Find your way around sessions
- Add a profile picture
- Get set up to use your audio and video
